

God Is Able

Chorus:

It's not over; sin has not defeated me,

God is able to lift me up, and stand me on my feet.

God is able to make me stand, when others would keep me down,

God is able, there's not a thing He can't turn around.

1 – Paul was killing many Christians, a man full of rage,

Sin ruled his life, people thought he'd never change.

One day he met the Master on the Damascus road,

Paul was saved, God is able, His mercies to behold.

2 - When Jesus hung there on the Cross,

Satan thought the son of man had lost,

But he forgot that God had the final say.

In the end, Jesus destroyed death and the grave!
